In the blank under the form's title, fill in the ER TID creation year.

List all parcels in the ER TID that are assessed by the state.

If there have been no changes to the legal descriptions that appear on the assessment roll for state assessed parcels included in the ER TID, check the box that states "ALL legal descriptions for State assessed parcels are the same as before creation of this ER TIF district"; and complete only columns 1, 5, 6, and the Clerk's Certification.
